5 Star Luxury Hotel In Istanbul, Turkey | Ciragan Palace

Here’s a look at why this bizarre city is worth a visit! When it comes to peculiar sights, Turkmenistan is off the charts. First it’s the Darvaza gas craters, burning gas craters that resemble the gates to hell, that tops my list of the strangest sights I’ve seen. And as if it weren’t bizarre enough, Ashgabat brings it …

Is Ashgabat the World’s Strangest City? A Guide to iGeo 2021 İstanbul Turkey

Istanbul is a city of unparalleled social and cultural richness. It is as fascinating and historical as it is dynamic and modern. Serving as the capital of two mighty empires incessantly for sixteen centuries, Eastern Roman or Byzantine and Ottoman, and set squarely between two continents, Istanbul has cultures and traditions that blend East and West.
